

The Universities
AT SHADY GROVE

PARTNER WITH THE UNIVERSITIES AT SHADY GROVE

Collaborate with the Universities at Shady Grove (USG) to mentor students and engage in research, talent development, and innovation initiatives – helping you address hiring challenges and close skills gaps.

1

STREAMLINE YOUR TALENT ACQUISITION

by posting jobs and internships on USG Career Connector and conducting on-campus recruiting.

2

BUILD YOUR TALENT PIPELINE

and strengthen industry connections for students through mentoring, offering career guidance, and sharing your expertise as an advisor or subject matter expert.

3

LEAD FUTURE IMPACT

by supporting student success through scholarships, event sponsorships, naming opportunities, and essential needs programs.

4

ENGAGE STUDENTS IN EXPERIENTIAL LEARNING

through paid internships, flexible project-based roles, workplace visits, and real-world capstone project partnerships.

5

SHARE YOUR EXPERTISE

through speaking engagements, advisory roles, student mentorship, and support for innovation and curriculum development at USG.

6

UPSKILL YOUR EMPLOYEES

by encouraging and/or incentivizing enrollment in undergraduate and graduate degrees offered on the USG campus that could advance their careers.
