

# Unlocking the Potential of Quantum Computing: A Symposium for the Quantum-Curious

**DECEMBER 3, 2025 • 9:30AM – 3:00PM**

Join us as we explore the fascinating realm of quantum computing at our exclusive one-day symposium, "Unlocking the Potential of Quantum Computing: A Symposium for the Quantum-Curious," held at The Universities at Shady Grove (USG). Uncover how leading-edge businesses are harnessing the transformative power of quantum computing to revolutionize their operations and achieve unparalleled discoveries. Learn from industry pioneers in biomedical research and cryptography to broaden your horizons in the ever-evolving field of quantum technology. Don't miss out on this chance to be part of the future!

**Register at [shadygrove.usmd.edu/quantum2025](https://shadygrove.usmd.edu/quantum2025)**

## **KEYNOTE SPEAKER**

**Dr. Norbert Linke**, Associate Professor of Physics at the University of Maryland

This symposium is free to attend, and lunch will be provided.
